The Diocese of Monterey would like to encourage our parishioners to get the COVID-19 Vaccination.

While Catholic moral teaching can be complex and nuanced, in the analysis of vaccinations during this Pandemic, there is clear guidance.

Catholic theologians, the US Conference of Catholic Bishops, the Congregation of the Doctrine of Faith in Rome, and Pope Francis, have all clearly concluded that to take the vaccine, be it Pfizer, Moderna, or Johnson & Johnson, is clearly a legitimate moral choice in this time of Pandemic with limited vaccine options.

I share with you that I have taken the vaccine, Pope Francis and Pope Emeritus Benedict, and many of the clergy of the Diocese have done so. Unless one's personal doctor recommends otherwise, **I strongly urge everyone to take the vaccine for the protection of human life and well-being of all.**
