Enjoy the Convenience of Electronic Giving!

St. Joseph's wants you to remind you that we offer electronic giving as a way to automate your weekly offering. Electronic giving offers you convenience and provides much needed donation consistency for the parish.

Direct Debit automatically transfers funds from your checking or savings account directly to the church account.

Debit or Credit Card Giving allows you to make offerings automatically on a predetermined schedule using a debit or credit card.

You may call the Parish Office at 455-2249 or go to www.stjchurch.org and set up an automatic donation plan, or, make a one-time donation towards a collection or fund!

As you contemplate future contributions, please consider electronic giving. Authorization forms can be found in the church vestibule or the Parish Office. If you have questions, please call Donna at 455-2249.

As always, thank you for your generosity and support!!

Pope Francis says that everyone should be vaccinated: "I believe that ethically everyone should take the vaccine...It is an ethical choice because you are gambling with your health, with your life, but you are also gambling with the lives of others."
