Spelling Words

Sight Words

We will review kindergarten sight words.

News

- Please send in a healthy morning snack each day for your child. Some ideas include fruit, yogurt, cheese, pretzels, and Goldfish.
- I look forward to meeting all 1A families on Thursday, September 12th, at 6 p.m. for Meet-the-Teacher Night.
- This week, we will practice writing in our planners. Your child will take home their planner each night. We will write the homework on the correct calendar day. Please check the planner each day for any assignments and return to school.
- Any time your child will be dismissed differently than their regularly scheduled way, please send in a note, even if they are signed up for a regular weekly activity such as bowling, girl scouts, a club, FAST Athletics, etc. I will have change in dismissal forms in the Back-to-School packet next week.

Reading tip of the week: Give your child lots of opportunities to read aloud. Inspire your young reader to practice every day.
