RE: **SCHOOL PHYSICALS AND DENTAL EXAMS**

---

As part of your child's requirements for school, a physical examination is required for students entering grades Pre-K, Kindergarten, 1, 3, 5, 7, 9, 11 and new entrants to our school. A law was recently enacted that expands health screenings to include the dental health of students in New York State.

Physicals are to be completed between September 3, 2019 and September 30, 2020. We will be requesting a dental visit as well. The form is for you to take to your child's dentist. Once it is completed, it should be returned, along with the physical to the School Nurse as they will be filed in your child's Cumulative Health Record. Physicals are due no later than September 30, 2020. Students who do not submit a form from their doctor will automatically be examined by our school doctor at no cost.

**Sports physicals done after May 1, 2020 will fulfill the physical exam requirement for the 2020-2021 school year.**

Parents are encouraged to have their child examined by their family physician. The physician can review your child's immunization record and give any needed immunizations at that time.

Thank you for your cooperation in this new health endeavor. Our students benefit when we work together to promote the health and achievement of all students.

Please call the school's Health Office if you have any questions or concerns, at 631-475-0422.

School Nurses,  
Mrs. C. Hannigan, R.N.  
Mrs. L. Sweeney, R.N.
