Dear Holy Angels Families,

It is an honor to introduce myself as the newly appointed Principal of Holy Angels Regional School. I have only been at Holy Angels for a few days, but the teachers and staff have warmly welcomed me, and I am so excited to become part of the Holy Angels family.

I am entering my 15th year as an educator. I started my teaching career at Westbrook Highschool teaching Mathematics. The next ten years were spent as the Middle School Math teacher at Our Lady of Providence in Central Islip. My administration career started three years ago at St. Patrick School in Smithtown as the Assistant Principal.

On a personal note, I have been married for 28 years and have two children, Michael is 23 and a graduate student at Molloy College. Nicholas is 19 and he is starting his sophomore year at the University of Tampa.

Along with the teachers and staff, I will work hard at carrying out our reopening plan. My goal is that every student will be afforded an excellent education but, more importantly, a safe environment. Although we have a different and challenging school year ahead of us, I will always try to stay faithful to Holy Angels' mission statement, which says, "Holy Angels is a child-centered, family-sensitive Catholic School. We are dedicated to the development of the whole child: intellectually, spiritually, emotionally, physically, and socially. Our students are challenged to learn, lead, and serve as Jesus taught."

I am looking forward to meeting each and every one of you. I am truly honored to be given this opportunity and look forward to learning, leading, and serving the Holy Angels community. Enjoy the rest of the Summer!

Blessings,

Mrs. Jeannine Stewart
Principal
