

Adventures With Mrs. Romano

Hi Friends!
How have you been?
I miss you a ton,
So let's have some fun!

I've come to see you.
And although I am small
You can show me around-
We'll have a ball.

Write me a story
Or draw me a picture,
To tell what we did.
Read a story with me, play a game,
It's up to you kid!

Here is also what you can do,
Take me around to all the places
Take a picture of me with you
Just let me see your faces!

Send your pictures and stories to our google classroom,
I can't wait to see...
All the fun we will play
Just you and me!!
