Saints Philip & James Stained Glass Club

The SSPJ Stained Glass Club will begin its 24th year on Friday September 20, 2019. Throughout the years, various charities have been supported through our work. Community service opportunities will continue to be offered.

All members learn the Tiffany technique of making stained glass creations in a fun filled, safe environment. Students in the 6th grade and above and parents are welcome to participate. We meet Friday afternoons from 3-4:30PM.

In order to become proficient in the craft, each new person's first project will be a simple cross which they may keep. After the completion of this project the members may make any item that they choose. There will be no charge for projects made for the club's inventory which can be sold at fund raising sales throughout the year. All projects must be approved and paid for before they are started. The price of each additional project to be kept by a member will be determined before a project is started and its cost will be that of the materials needed for the project. This year all students must remain in the shop area at all times and the school policy of no cell phone usage will be adhered to.

We always welcome and encourage parents to attend our sessions. All parents must have attended the Virtus workshop before attending. Please let us know if you would like to attend our sessions.

Registration forms are available on the school's website in the after school club area.
