Dear Mrs. Anderson,

I wanted to express my sincere gratitude for the amazing year my son, Antonio Spampinato, had in Ms. Werner's class. Ms. Werner's kind, caring, and patient personality allowed Antonio to flourish beyond our expectations. Ms. Werner established an environment that was warm and loving. Antonio always felt safe and loved. As parents, we could not ask for more. It is remarkable how much he has learned this year and how much he enjoys sharing his new discoveries with us! It is a delight to see his love of learning flourish!

Ms. Werner did not miss a beat as all of our lives were turned upside down by the Covid-19 pandemic. She provided a sense of normalcy that we all needed during this chaotic time. She continued to support Antonio academically and emotionally through remote distance learning. We truly appreciate the hard work, patience, compassion, and love that she provided him every day.

We will miss Ms. Werner tremendously and can not possibly thank her enough for an incredible year! She truly is a priceless addition to the SSPJ Community!

Have a fabulous summer!

We look forward to seeing everyone again in September!

Fondly,
Amelia Spampinato
