

To All Interested 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> grade Boys,

Welcome to the 2019-2020 school year! This year, we will once again be running a Middle School Boys' Basketball team.

This year, there will be a few new additions throughout the season:

1. We will be starting earlier in the year so that those who would like to learn the basics can do so with plenty of time before the season begins. Those who already have the basic skills can have court time to practice and improve those skills.
2. We will have the chance to attend a number of High School and College basketball games throughout the fall and winter months as a team.
3. We will be taking part in a number of outside 1-2 day tournaments in Queens and Long Island (we have been invited to 2 so far).

With these new additions plus an already competitive league, this season should be lots of fun for everyone involved.

We will be having a short (5 minute) meeting on **Thursday September 12, 2019 at 8 am** outside of the gym. There, I will hand out registration forms, answer any questions, etc. Hope to see you there!
