

Spring 2020

Dear Friends,

Our school virtue of the year is FAITH from “Be on your guard, stand firm in your faith, be courageous, be strong” (1 Corinthians 16:13). When the school year began in September 2019, we never anticipated how this virtue would manifest itself.

Since March 16, our school has been closed due to the Covid-19 pandemic. Our teachers, students and school families have embraced distance learning. With the use of technology, students and teachers have been able to continue to learn and grow together. While nothing can take the place of face-to-face learning, Google Classroom, Google Meet, Zoom, and class webpages have kept students and teachers connected and true education ongoing.

The creativity and faith of our faculty has impressed me and made me realize even more the importance of Catholic education. The strength and courage of the HNOM family through these difficult times is rooted in deep faith.

Unfortunately, at this time, we cannot offer tours of Holy Name of Mary School. However, we want to be able to help you in any way that we can and supply any information you need. Re-registration and New Student Registration is ongoing. All of the necessary forms are located in the "School Registration" tab at top or by clicking here. Financial assistance is available through the Tomorrow's Hope Foundation at www.online.factsmgmt.com/ga/aid/inst/4KYQC.

If you have any questions, the best way to reach me is through email at psanders200713@hnomschool.org. Messages left on the school answering machine will be returned as soon as possible. Follow us on social media for all the latest on HNOM.

Yours in Christ,

Mrs. Sanders
