

Dear HNOM Families and Friends,

Welcome to the 2020-2021 School year! I hope you enjoyed the summer and made many wonderful memories with your families. During these unprecedented times, it is good to be able to begin a routine and work to better our minds as we pray to become closer to our Savior Jesus Christ. Whether you are learning at home or in school, our faculty and staff are here to support you in every way possible.

A warm welcome to our new pastor, Father David Regan! We look forward to working together to ensure each one of our students develops a firm foundation in faith.

As we begin the 2020-2021 school year, we welcome a few other new members to our faculty and staff: Mrs. Carberry will teach Grade 5 and Mr. Bianco will assist Miss Ciminelli in Grade 4. We are close to hiring a new gym teacher. Please join me in offering our new school family members a warm welcome!

The faculty and staff have worked hard over the summer to prepare for the new school year. Please be patient as we navigate the technology now required to support our 1:1 device program. All students in grades K–8 will receive a device to use in school and remotely. During the first week of school, we will be working with the students to make sure they can navigate the device. Please make sure you check our website and the teacher's web pages for updated information. Our website is <https://hnomschool.org/>

If I can be of any assistance to you, please do not hesitate to contact me. My phone number is 516-825-4009 or you can reach me via email, psanders200713@hnomschool.org.

Yours in Christ,

Mrs. Pamela Sanders
