

# Holy Name of Mary School

---

Father David Regan, Pastor

Mrs. Pamela Sanders, Principal

This is to acknowledge I have received an iPad from Holy Name of Mary School.

Providing and issuing iPads for instructional use to the students is an important part of Holy Name of Mary School's instructional program. The student will use the device every day to support and guide his or her learning. Certain guidelines are necessary to protect the iPad and the school network. These guidelines are also in place to ensure that this technology serves as an effective instructional tool.

The use of Holy Name of Mary School's technology resources is a privilege, not a right. The privilege of using the technology resources provided by Holy Name of Mary School is limited to educational purposes only and is not transferable or extendible by students to people or groups outside the school.

I acknowledge the terms of the Student Technology Use and Behavior Policy and Mobile Device Policy, both of which are attached hereto, apply to my child's use of this iPad. If a person violates any of the terms and conditions named in the policy, the privilege of being loaned this device may be terminated, access to the school technology resources may be denied, and the appropriate disciplinary action shall be applied, in accordance with the student handbook.

I acknowledge the device must be returned to Holy Name of Mary School by Thursday, June 17, 2021 in the condition in which it was received. I acknowledge that my child and I will be held responsible for maintaining the loaner device and keeping it in good working order. I acknowledge neither my child nor I may not affix labels or stickers to the device or alter it in any other way (ie. drawing or making any other markings on the device).

I acknowledge that should the device become damaged through normal use, Holy Name of Mary School will assist to repair or replace damaged equipment resulting from normal use with the manufacturer. I acknowledge that I will be responsible for damages resulting from abuse or neglect, as determined by school administration. In case of theft, vandalism, or other criminal acts, a police report **MUST** be filed with the local police department and a copy submitted to the school office. Should it be determined by school administration that the iPad was damaged as a result of abuse or neglect, the replacement cost will be \$200.00.

I acknowledge that failure to adhere to these terms may result in my child forfeiting use of the device.

Please fill out the information on the back. Return this form to your homeroom teacher so that the iPad may be given to the student.
