

February, 2021

January 2021 was another busy month at HNOM. It was filled with challenging learning activities, service opportunities and spiritual development. Catholic Schools Week Mass was well attended both in person and virtually! We have extended Catholic Schools Week celebrations into the second week of February, due to the Blizzard on February 1.

Catholic Schools Week is a wonderful celebration of everything that we are. Catholic Schools Week is a little different this year, we are still able to celebrate all of the contributions that Catholic Schools have made, and continue to make in our country. I will share some highlights next week. Thank you to the faculty and staff who work tirelessly to have a fun filled, faith oriented and academically sound week.

As we move forward into February, all students that will receive First Eucharist in May will be receiving the Sacrament of Reconciliation on Saturday, February 6. Please keep them in your prayers. Winter Recess begins on February 15. Enjoy some winter fun! Spring is right around the corner. Remember if you are traveling, you must abide by the New York State and CDC Guidelines for quarantines. Please be very careful!

We are currently in the process of re-registration and accepting new registrants. Registration information has been sent home to current families and was available during our private tours for perspective families. Registration information is also available on our website www.hnomschool.org. If you have any questions, please call me at (516) 825-4009.

Prayers and Blessings,
Mrs. Pamela Sanders
