

June 2021

Dear 1<sup>st</sup> Grade Families,

Congratulations on completing first grade during this especially challenging time! Second grade is a super year and I am so excited to have you in my class!

On the next page you will find the supplies list for second grade. I have attached a summer reading list for students entering second grade. The students are required to read two books from this list. Students are required to fill out a report for each book. I have attached two book report sheets.

Ms. Nowicki has also provided the students with an iready reading and math packet to be completed.

On my website you will also be able to find all of this information! Please, do not hesitate to reach out my email is [edavid5578@hnomschool.org](mailto:edavid5578@hnomschool.org) Enjoy your summer! See you in second grade!

Best,  
Miss David
