As we head into the holidays, we are sad to say that several of our in-person events will not be able to take place. So take advantage of our virtual events. Our Holiday Boutique and our December Book Fair will be virtual this year. Copy and paste the links that are attached to this flyer and thank you for supporting our school.

ATTENTION PARENTS: Volunteers are needed for lunch duty. See the attached flyer for information and times. Volunteers are especially needed when we have rainy days. This will count towards your commitment to service hours. **All volunteers are required to be Virtus trained.** Go to Virtusonline.org and register today for online class.

Home and School will be running a **Lucky Ticket Raffle** in place of our Lucky Ticket Auction. For the month of December we will be raffling off a 50" TCL Roku Smart TV. See attached flyer and ticket page.

Health Survey: Every Sunday night parents are responsible for filling out the electronic health survey. It must be submitted before 8:40am on Monday morning. It can be found on the school website under the class page.

8th Grade Virtual Paint Night Fundraiser- See attached flyer.
Thank you for your continued support.

Due to the continuing pandemic conditions, the Whistle Stop Pie Sale has been cancelled.
