

Draw a horizontal line across the center of the paper.

2

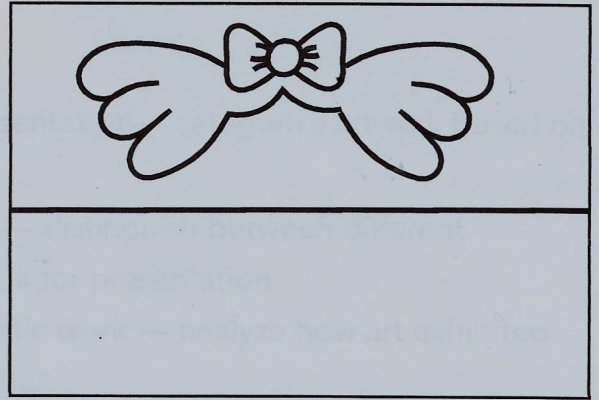

At the top center of the paper, draw a large bow.

3

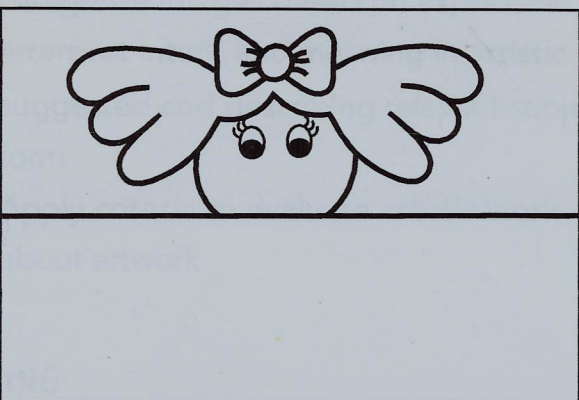

Under the bow, draw a wide, upside-down "V".

4

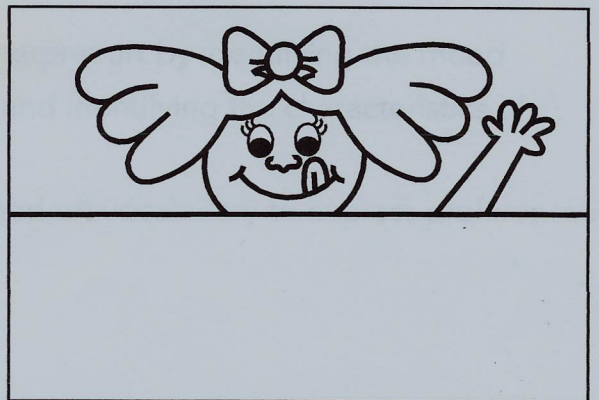

Starting at the ends of the upside-down "V", draw each curly side of the hair, ending at the bow.

5

Draw two eyes. Draw curved lines down to form the sides of the face.

6

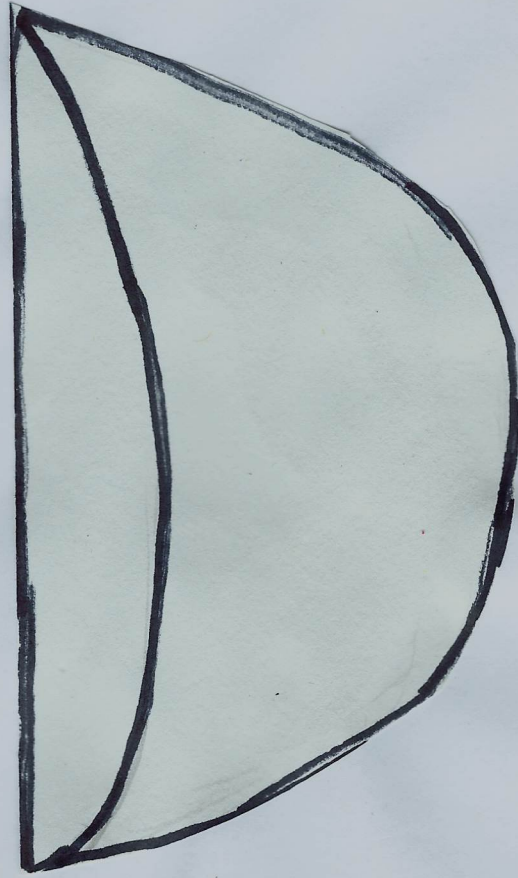

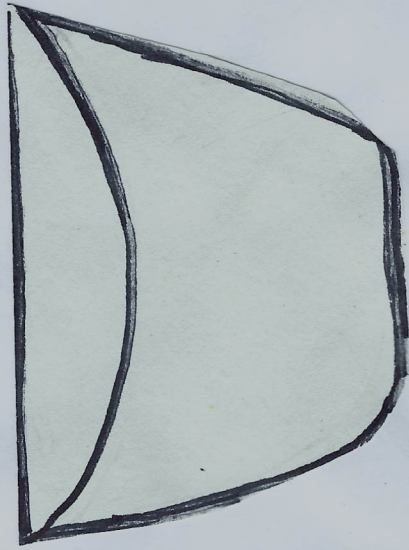

Add a nose, mouth and tongue. To create the arm, draw two lines up from the table and add five bumps for fingers.
