Faith Life

Holy Family School is a faith driven community where prayer is woven into many aspects of the school day. Kindergarten through 8th grade gather in the gym to complete each day by praying together as one Holy Family. Our religion is more than a content area;

it is a way of life. Our children LEARN about their faith, CELEBRATE the Mass and Sacraments, CHOOSE to show love and respect, PRAY every day, SHARE faith with others and LIVE out their faith. Holy Family School is a community of faith, knowledge, and service where we make a difference, one child at a time.
