Mission Statement

St. Agnes Cathedral School strives to create and foster an environment in response to the call of the mission of the Church; to proclaim the message of Jesus, to participate in worship, to build a faith community, and to respond in service to others, locally and globally.

Believing in the uniqueness of each child, St. Agnes Cathedral School fosters a safe and respectful learning environment. It incorporates a holistic approach to education: academic excellence, affective and creative development, as well as the spiritual, physical, emotional, and social growth of its students.

Founded in 1917 and rooted in the Dominican tradition, the success of St. Agnes Cathedral School is predicated upon the positive response of a vibrant faith community of clergy, administrators, faculty, staff, students, and parents who are committed to Catholic education.

Admissions Policy

In conjunction with the policies of the Diocese of Rockville Centre, St. Agnes Cathedral School admits children of any race whose parents as the primary educators exercise their fundamental right to choose a private school.

Priority for admittance is extended to Catholic children whose parents are geographic members of St. Agnes Parish, who are moving into the parish, or have siblings in attendance.

All student records must be received prior to acceptance in order to ascertain whether the academic needs of the child can be fulfilled.
