January 2021

Dear Parent(s):

Attached is a copy of the tuition schedule for the 2020-2021 school year. As indicated, you should expect these rates to slightly increase for the 2021-2022 school year.

The tuition rates reflect two designations 1) St. Agnes Cathedral Parishioner or Registered-Contributing Catholic of another Diocesan parish and 2) Out of Parish or Non-Catholic.

At the time of registration please indicate in the field marked 'Parish Registered In' as either St. Agnes or the name of the parish in which you are a **registered contributing** member. If you currently are not a registered member of a parish and plan to do so at this time, we strongly encourage you to consider joining the Cathedral Parish as it subsidizes the tuition of each child who attends the school. In the field marked **Geographic Parish**, indicate the parish in which you reside if it is **different** from where you are registered.

To complete the registration process the following information will be needed:

1) St. Agnes Cathedral Parishioners:

- provide your parish envelope account number
- anyone choosing to become a member at this time must provide the school with an account number when it is assigned. Until a number is received, you will be assigned the Out of Parish rate. The census form necessary to register as a St. Agnes Parishioner is available upon request for your convenience.

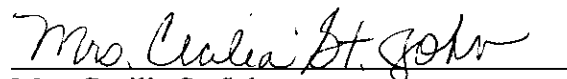

2) Member of another Diocesan Parish:

- must provide a letter from your pastor indicating that you are a registered contributing member of that parish
- a copy of the 2020 year-end tax statement received from your parish
- new registrants to parishes other than St. Agnes must provide a letter from the pastor verifying registration and a subsequent letter in June indicating active contribution status

We appreciate your assistance in this matter. It is imperative that we are aware of your registered parish. Diocesan policy dictates that a child receive the sacraments in the parish in which his/her family is registered and worships. It is necessary therefore that our records accurately reflect your registered parish.

Thank you for your assistance in this matter. If you have any questions, please feel free to contact the school office at any time.

Sincerely,

Mrs. Cecilia St. John
Principal

Tuition payments are due the first week of each month. The first month's tuition and instructional fee are due August 1, 2021. The following are **NON-REFUNDABLE** fees:

Kindergarten: \$200; \$100 registration fee and \$100 towards tuition

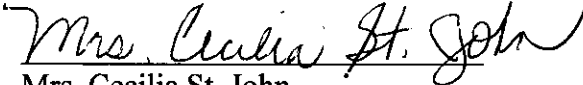

Grades 1-6: \$ 100 registration fee

The present tuition schedule (2020-2021) is attached for your information. Tuition is payable over the course of eleven (11) months and is minimally increased each year.

Since tuition does not cover the cost of educating a child, each Catholic family from St. Agnes Cathedral Parish is required to contribute a yearly minimum of \$550.00 in the Offertory collection. The Principal, in conjunction with Very Rev. Michael Duffy, will monitor these contributions. In order for the registration process to be finalized, St. Agnes families must present their Offertory envelope from the Church or the number. Families who are members of other Diocesan parishes must provide a letter from the pastor indicating that they are registered contributing members. A copy of your year-end 2020 tax statement from your parish must also be submitted. All others will be charged an out of parish rate. This rate recognizes the substantial subsidy allocated by St. Agnes Parish to the school.

St. Agnes is committed to providing quality education. It is our hope that by creating opportunities for students to experience, understand, judge and decide, a total loving Christian person will evolve.

Sincerely,

Mrs. Cecilia St. John
Principal
