

Dear Parents,

Once again we will be offering our Aftercare Program. Unfortunately, we are unable to offer any early morning care at this time. Aftercare will begin the week of September 21st to allow us to transition back into the school day, and make any necessary changes to ensure your child/children's safety.

Please be aware, there are a few changes that have been made to the Aftercare program and are as follows:

- All parents must register their children prior to them attending the aftercare program. There is a Google Form available on the website for you to complete. After submission, please send in the one time registration fee (per family) of \$25 indicating your child/children's name % Mrs. Ryan 5-2.
- Weekly registration forms must be submitted on the Friday prior to the week your child/children are attending to secure your child's spot. Again a Google Form will be available on the website for you to complete.
- Spacing is limited in Aftercare and will be provided on a first come first serve basis.
- A child will not be guaranteed a spot if a parent calls or requests to send their child on the same day that they wish their child to attend, as the space may be full.
- Students must bring their own snacks and games to play with and can not be shared with any other child attending the program.
- Weekly invoices will be emailed to the address provided on the registration form.
- Aftercare will be held in the library as it is a space that is generally not utilized throughout the school day. Parents will need to call the **Aftercare cell phone (516-310-0044)** upon arrival, and your child will be brought down to you for dismissal at the gym doors.

Many of these changes are due to the current environment we are in. While we would like to provide this service to all parents, please understand that at this time our resources are limited. Please do not hesitate to contact me with any questions or concerns at mryan5601@lbcrs.org.

Best regards,

Mrs. Ryan
