

Nursery October Theme & Lessons

This month we will have fun celebrating the autumn season with pumpkins, leaves and Halloween.

Our Lesson centers will go along with our themes.

In ELA "C" is for cat and "P" is for pumpkin. We will also have fun playing ABC pumpkin match.

In Math we will work on counting and identifying numbers 1-5, patterns and sorting shapes.

In Religion we will work on the beautiful autumn gifts from God and the pumpkin prayer.

In Fine Motor we will make spooky and sparkle ghosts, bats and cats. We will also have fun painting our autumn colors of red, orange, yellow and brown,
