

Pre-Kindergarten

October Newsletter

Dear Parents,

September was filled with meeting new friends, exploring our classroom, and learning our routine. Our favorite activities were playing on the playground and apple tasting!

This month we will continue with letter recognition and letter sounds. The letters we will be working on this month are Oo, Ss, Pp, and Cc. We will also continue working on number recognition with numbers 1-10.

We will complete various Autumn and Halloween activities, as well as learn about the life cycle of pumpkins! Students will also learn about fire safety.

Sincerely,

Miss O'Hara and Mrs. Hayman
