OFFICE OF THE PRINCIPAL

October 7, 2020

Dear Parents and Guardians,

I would like to make some clarifications regarding remote learning and student absence. If a student is absent from school for less than 48 hours he or she will not be allowed to join their class for remote learning. The student can obtain information and class work via their class webpage or google classroom. If a student will be absent from school for an extended period of time, which exceeds 48 hours, a parent should contact the school nurse and homeroom teacher. The teacher will then prepare any work that must be forwarded to the student through google classroom. The teacher will also make the preparations for remote learning. Many of our homerooms or grade levels do not have any remote students, so there may be extra preparation that needs to be established in order to facilitate remote learning for a student.

I apologize for any inconvenience that this may cause. Under the circumstances we are doing the best that we can to accommodate all students. Thank you for your patience and understanding.

Sincerely,

Laura A. McMahon

Mrs. Laura A. McMahon
Principal
