

# Pre-Kindergarten

## March Newsletter

Dear Parents,

February was filled with St. Valentine's Day activities, stories about George Washington and Abraham Lincoln, learning all about keeping our teeth clean and healthy, and the beginning of the holy season of Lent.

This month we will continue with letter recognition and letter sounds. The letters we will be working on this month are Uu, Nn, Ww, Gg and Kk. We will continue to work on number formation from 1-10, as well as number recognition and counting from 1-20.

As we continue our journey through Lent, we are looking forward to learning about the lives of St. Patrick and St. Joseph. We will also be using our engineering skills to build a trap for the leprechauns!

Sincerely,

Miss O'Hara and Mrs. Hayman
