

Hello 3A!

We had a beautiful spring-like weekend! I hope you were able to get outside and play.

It was so nice to see you on Google Meet last week! We will meet again this week. I will post the link in **Google Classroom**.

Below is the work schedule overview for this week. Again, I must remind you to check **Google Classroom** and this page every day. I do make adjustments to the schedule. I would advise you to not work ahead for this reason. Also, it is important for you to check the special teachers' assignments. If you are in chorus, please join Mr. Mansfield's Google Classroom. The code is 6sstelg.

REMINDER:

Study multiplication and division facts. Flash cards are posted in **Google Classroom**.

Read every night for 10 minutes.

Date	5/4	5/5	5/6	5/7	5/8
Day	Monday	Tuesday	Wednesday	Thursday	Friday
