1. Visit the following website: <http://dallas.setanet.org/obligations.php>

Your page should look like this.

The screenshot shows a web browser window with the address bar displaying "dallas.setanet.org/obligations.php". The page features a green header with the text "The Roman Catholic Diocese Of Dallas" and a logo on the left. Below the header is a navigation menu with links: "Home page :: How to make a Report :: Contact Us :: Important Links :: Register for Classes :: My Obligations :: Catechist Y/M :: Administration". A "Español" link is also present. The main content area contains a search form with the instruction "Enter your name and address and click search to continue". The form has three input fields: "First Name", "Last Name", and "Street Address". Below the "Street Address" field is a note: "Do not include City, State or Zip" and a "Search" button. At the bottom of the page, there is a footer with the text "© AIM IT Services, LLC" and a second navigation menu: "Home page :: How to make a Report :: Contact Us :: Important Links :: Register for Classes :: My Obligations :: Catechist Y/M :: Administration".
