Dear St. William the Abbot Families,

We find ourselves in the beautiful season of Advent, a time of waiting and preparation for the coming of our Lord Jesus. Now, maybe more than ever, the need for our Savior is great. Our burdens are eased with the birth of the Christ-child, a light in the darkness. There is no denying that we have endured some pain and disappointment this past week as a school community. After experiencing great success for nearly three months, in the blink of an eye, we were all given a stark reminder that we can never be too vigilant, whether in school or out, for it is an ongoing and constant battle. I once again ask for your cooperation in helping us to keep this virus as far away as possible from our beloved school. The great majority of our families are doing their best to limit potential exposure, and for that I am beyond grateful. We will never give in or give up! We continue to fight the good fight, and we all remain committed to the safety of our students, faculty and staff. We send our prayers to those students and families directly affected by the virus, knowing that when one of us is hurting, we all hurt. Come, Lord Jesus, Come!

Congratulations to the 2020 Inductees of the St. William the Abbot Chapter of the National Junior Honor Society: Mia Accurso, Ava Close, Delilah Cutillo, Finn Davi, Michael Dunphy, Ameilia Felice, Adriana Giovinazzi, Lily Johnson, Erin Krueder, Mia Lomangino, Samantha Marchese, Ryan Nicol, John Normandia, Amanda Punturieri, Andrew Reinhart, and Brooklyn Scavo. A beautiful ceremony was held last night in our Church, planned by our NJHS moderators, Mrs. Mary Bradley and Mr. Stephen Harth, and led by Fr. James. Thank you to those who celebrated with us, both in-person and virtually. We are so proud of our students! Great work!

A friendly reminder that the window for scheduling a Parent-Teacher Conference closes tomorrow, December 3rd. Please make sure to schedule a conference with your child's homeroom teacher. We look forward to "seeing" you next week!
