Building Intercultural Competency in Ministry

The Office of Evangelization, Catechesis & Family Life will host Catholic Adult Formation classes on Building Intercultural Competency in Ministry at the Diocesan Pastoral Center. This 3-day course, led by a team of instructors representing different cultural perspectives, will help us frame issues of diversity theologically in terms of the Church's identity and mission to evangelize. Students will explore an understanding of "culture" and how it works, learn new intercultural communication skills, and recognize the obstacles which impede effective intercultural relations. Attention will be given to ways of integrating rather than assimilating different cultures within Church settings, characterized by a spirituality of hospitality, reconciliation and mission. The cost for the three part course is \$60 with class time of 9:30 a.m.-1:30 p.m. July 5 – 7, 2016. History of Peter Pence's collection

The Peter's Pence collection derives its name from an ancient custom. In ninth-century England King Alfred the Great collected money, a "pence". From landowners as financial support for the Pope. Today, the Peter Pence Collection supports the Pope's philanthropy by giving the Holy Father the means to provide emergency assistance to those in need because of natural disaster, war, oppression, and disease.

Historia de Colecta de Centavos de Pedro

La colecta de Penique de Pedro viene del nombre de una tradicion Antigua. A mediados del siglo 9o. el rey de Inglaterra Alfredo el Grande colectaba monedas, un "penique". De los dueños de las tierras como apoyo al Papa. Ahora, la colecta de Penique de Pedro ayuda a la filantropia del Papa dandole al Santo Padre la manera de proporcionar asistencia en los casos de emergencia a aquellas personas en encesidad por desastres naturales, guerra, opresion, y enfermedades.
