

## **Partners in Charity**

We're all living through a challenging time. Each of us has been impacted in a different way.

*Partners in Charity* supports Catholic Charities which assists thousands of people in need in Central Massachusetts. Those assisted include those lacking decent housing, men and women overcoming addictions, providing food assistance. If there was a time when our support was needed, this is that time.

*Partners in Charity* gift envelopes have been sent to many parishioners. The envelopes are also available in the pews of the church. The envelopes in church can be taken home then either mailed to the parish or dropped in the offering basket at the church entrance.

Any gift, large or small, is received with gratitude. Every gift assists the Catholic Community in reaching out through ministries of service and charity.

For your consideration in helping us fulfill our mission in the Spirit of Jesus, I thank you. May you be blessed for your kindness.

*Father Steven*
