***Pentecost Greetings!***

**The Worldwide Seminarian Support (WSS) Board will hold its 2017 Annual Meeting and Retreat during the weekend of June 23-25 at St. Felix Catholic Center in Huntington, Indiana.**

Soon-to-be-beatified **Venerable Fr. Solanus Casey** spent ten years in the attached Friary there. We will learn about the miracles our Lord worked though Fr. Solanus, including the documented miracles granted those who entreated the intercession of this holy Friar Priest after his passing. Joining us for the WSS Board meeting will be **Fr. Nicholas Nilema**, ALCP Priest and Co-founder of WSS, and **Bishop Okeke from Nigeria**. It will be a great gift to have the participation and prayers of these two good and holy Priests, supporting the efforts of WSS.

**The Board will attend Mass each day, along with Adoration of the Blessed Sacrament.** We will walk the grounds while praying the Rosary with the **Franciscan Brothers Minor**, who are in residence there. We trust the Holy Spirit will renew Board members and guests, and direct the future work of Worldwide Seminarian Support. **And we will pray for you as well.**

**Please share with us your prayer requests, and these will be prayed for during all Masses.** You may use the bottom portion of this letter (special reply envelope included) or email WSS Administrative Assistant Justin Meenagh at [jmeenagh91@gmail.com](mailto:jmeenagh91@gmail.com) or even fax your message to 888.652.9315 (marked WSS PRAYER REQUEST).

**We will present Fr. Nick and His Excellency** the funds that have been gathered so far, but we are still working to gather \$15,000 for the 6 ALCP Seminarians we sponsor in Tanzania. If you can give at this time, that would be wonderful. If you feel called to support the 3 WSS Seminarians in Nigeria, simply note that in the memo line.

Again, thank you. ***Let us remind one another that everything we do today to support the education of a future Priest has a life-transforming, soul-saving and world-changing effect on tomorrow.*** God bless you.

John Becker, President, WORLDWIDE SEMINARIAN SUPPORT – 260-415-3458

***Please include my prayer requests during Masses celebrated during the WSS 2017 Retreat :***
