

Dear _____,

+JMJ+

We pray this card finds you well.

Due to the effects of the Coronavirus, we are asking all benefactors to go to our website: **seminariansupport.org** then to the, "CONTACT US" button and enter your email for digital newsletter delivery. This will benefit you as it reduces the number of items coming into your home and the Charity by eliminating the cost of postage and processing, freeing more funds for vocations. For years, we have been blessed by Offset One Inc., who have been donating their printing services.

Going forward, we would like to utilize email more for our newsletters. So please, won't you help us out?

As always, we will never sell, share or otherwise transmit your data to anyone.

Thank you.

Sincerely, Jason Turk, Chairman WSS
