With reference to the above mentioned heading, may I humbly submit my application to you dear WSS, as I spoke to you about this project during my visit to FORTWAYNE INDIANA on **September 2019** asking you for some money to construct this hostel for our seminarians in our house of formation in Morogoro Tanzania.

AREA OF ATTENTION

Tungi, a rural village in Morogoro Region in the Catholic diocese of Morogoro/Tanzania. Holy Spirit Formation House is our ALCP/OSS house of formation built in Tungi village which is approximately six kilometers from Morogoro town

THE NAME OF THE PROJECT

The name of the project is Hostel for Holy Spirit Formation House - Morogoro, Tanzania. Since our community is growing, we are faced with scarcity of rooms for accommodating our seminarians who are undertaking their philosophical and theological studies at Jordan University College – Morogoro.

THE NECESSITY AND IMPORTANCE OF THE PROJECT

In the Provincial Chapter of the Province of Africa held in November, 2019, the resolution was made that requires the Provincial leadership to see to it that there are adequate rooms for our seminarians who are undertaking their Philosophical and Theological studies at Jordan University College – Morogoro, and therefore a need to add more rooms.

The necessity arose after a report from the Vocations Director which indicated that there are many qualified applicants but he is forced to admit only four to ten applicants per year (depending on the number of the available rooms in Holy Spirit Formation House, Morogoro) due to inadequate accommodation. The existing building has the capacity to hold 55 people including the formators.

We therefore intend to construct a Hostel with twenty two rooms to help us curb the problem. The estimation cost for the construction of the Hostel is **Usd 300,511.77**.

BENEFICIARIES

The project is intended to benefit the ALCP/OSS seminarians and Priests (Formators). Therefore, I kindly ask your financial support to realize this project. Attached to this letter is the Bill of Quantities (BOQ) for the construction of the Hostel and the plan.
