

+Dear QOA Families,

What a great start to the new school year! Teachers and students were so happy to see one another and join together once again as our QOA Family 😊 Parents, we thank you for choosing Queen of Angels Regional Catholic School for your child's religious and academic education. We are proud of our long tradition of spiritual formation and academic excellence and we look forward to sharing this with you and your child/ren. I asked some of our Middle School students what they thought of school so far and they said:

8th Grade

Nick S. – We have really good teachers.

Ryan F. – We are role models for the younger students.

Mike F. – We're going to have a lot of fun this year.

Claire M. – We are the first class to go all the way through from kindergarten through grade 8 of the regional school.

7th Grade

Andrew T. – School is going well so far, and we have really nice teachers.

Elsa S. – Virtual learning is fun. I am very excited about 7th grade!

Tori S. – It is really good to be back with our QOA Family!

Ryan K. – I like having different teachers throughout the day.

AJ - It is exciting to be back – new classroom, new grade, and new teachers.

6th Grade

Sarah B. – With all the precautions in place for COVID, it makes us feel safe.

Sasha P. and Maggie W. – We love the new teachers; they are very energetic and you can tell they like the students.

Patrick B. – It is great being back with friends after all these months.

New Teachers

Mrs. Behan – I feel blessed and excited to be at QOA! The students are the best part of being a teacher. They are the bright part of my day!

Ms. Brady – I love it here! The students have so much respect for their teachers. It is so different from what I have experienced in other schools. The students are awesome! I said to Ms. Brady, “See, I wasn't exaggerating, was I, when I told you how terrific our school is!” She replied, “No, you weren't!” That is because: *QOA is the place to be! Where God is alive, and students thrive!!!*

Enjoy a wonderful Labor Day weekend! See you Tuesday 😊

*Love, prayers, and thanks,
Sister Mary*
