

St. David Parish
Scrip Gift Card
Tuition Fundraising Program

Queen of Angels – Student Backpack Sales – 2020-2021

Welcome! Participation in the scrip program is easier than you think, and it's never too late to start earning tuition credit! Last year, even though our program was suspended at the end of March, families earned more than \$17,000 for tuition.

Everything you need to know about scrip can be found on the school website under 'About – Programs - SCRIP'. Order slips and retailer lists can be printed from there.

Regular orders and special orders are processed separately. Please keep order forms and payments separate for the two types of orders.

Weekly Regular Orders

- 1) To start the school year, preschool families will receive a SCRIP ENVELOPE labeled with your youngest/only child's name and classroom. Other participating families will receive a scrip envelope with your first order. Cover the envelope in contact paper to last the whole year. We will attach velcro for you.
- 2) On Fridays (full school days only), use the scrip envelope to send in your grocery gift card order in your child's backpack. Include cash or your check (payable to St. David scrip, NOT Queen of Angels). DO NOT SEAL THE ENVELOPE.
- 3) The scrip coordinator will fill backpack orders directly in each preschool classroom. Children with orders in grades K-8 should give the scrip envelope to their teacher first thing in the morning, to be sent to the office. The orders will be filled, and returned to your child's classroom to go home.

Monthly Special Orders

- 1) Orders for all gift cards that are not held in inventory will be placed with the scrip vendor at least once a month. There are many retailers and denominations to choose from. Links for retailer listings are on the Queen of Angels scrip page.
- 2) Special order due dates are communicated in the school newsletter and St. David Church bulletin. Send in a gift card order in your child's backpack, along with cash or your check. Your child's name and grade must be clearly shown on the order form. Take note of the denominations offered by the retailers, so that your payment is accurate. Your gift cards will be sent home on Friday of the special order week.
