

+Dear QOA Families,

It was great to see all our terrific parents at the Back to School Nights, although virtually. I cannot wait until we are able to be in person again. Thanks, Parents, for your continued support of all our efforts. Appreciation is again extended to our wonderful teachers for all they did to prepare for the meetings and for the opening of the new school year.

I hope all of you were able to take some time off over the Labor Day weekend. Thank you to our school community for being faithful to completing the weekly COVID screening. It is this partnership, we pray, that will keep us safe and healthy.

I am continuing to relay the thoughts of the next three grades on how students are feeling about school so far and here is what they said. Next week we will enjoy our littlest friends' insights 😊
Take care and God bless.

Sister Mary

5th Grade

Grace W. – I am so excited to be in fifth grade with a new teacher and a fresh start.

Ben W. – It has been great to see my friends. It feels like it has been so long since March.

Grace B. – I'm excited for the State in the Box project. It's great to be back with my classmates since we had such a long shutdown.

Caden H. – In math, I am excited to be learning expanded form all the way to the billions. It would be cool to be a billionaire someday.

4th Grade

Lucy C. – Fourth grade is really fun and I get to learn numbers to the millions.

Preston S. – Even though we have to wear masks, school is still fun and it's going to be a good year!

Lily S. – Even though things are kind of weird right now with the Corona virus, it's great that we're back to school and we get to see our friends.

JD - It is exciting that we get to vote for Student Council.

3rd Grade

Noelle K. – I like third grade because we are learning cursive and I am doing well with it.

Ibn M. – I can't wait to learn more social studies and do more science experiments.

Kiera H. – I like third grade because we did a science experiment and Mrs. Kleinbrahm likes to make learning fun.

Nick P. – I like school because we get to learn about predicates and subjects in grammar.

Bryson B. – I like QOA, my new school, because we never did cursive in my other school and now, I just like to write, write, and write. In this school we get to pray and talk about God and there are better lunches here too!

STUDENT COUNCIL

SERVE

LEAD

INSPIRE

to our new Student Council Officers for the 2020-2021 school year:

President: Nicholas Tait

Vice-President: Ryan Feilke

Secretary: Julia Waltrich

Treasurer: Claire McNamee
