July 7, 2020

Dear Holy Cross Academy Families,

I hope this letter finds you well and you have taken the time to relax and enjoy the beautiful summer weather since school has ended. There is great news to share in that we will be together in person this September! Even though we know truly little about what the 2020-2021 school year will look like, we are planning for a September reopening based on currently available information and regulations.

I have invited a Task Force comprised of our Business Administrator, Nurse, Director of Curriculum & Instruction/A.P., teachers, parents, custodian, and myself to assist in creating guidelines for a safe reopening of school. The committee has been charged with keeping the lines of communication open, and although we are in the early stages of planning, we have already taken steps to prepare for reopening.

I will continue to send updates to you this summer as decisions are made and policies are put in place, but know that all areas of safety and well-being will be considered in order to implement a plan that allows for the continuity of learning and the reopening of our Academy.

Thank you for your patience and support as we navigate the preparation for a successful school year at Holy Cross Academy.

Sincerely,

Dr. Mark C. DeMareo
Principal
