# Pantocrator

The cover art is a picture of the mosaic on the sanctuary dome of the Basilica of the Immaculate Conception in Washington, D.C. It shows Christ, Pantocrator - ruler of the universe in a posture of last judgment.

Some people hate it, others love it, but there it leaves little doubt as to his authority to judge. Even the wounds in his hand and side are clearly visible as testimony to his Divine authority.

Critics say he does not look Semitic and he appears angry. Admirers like his determined, strong look and confidence inspiring posture. In person, the reds and golds illuminate the dome in a fire of Divine power and glory. The dome makes the universal dominion of Christ clear by using apocalyptic imagery of fire, angels, clouds and immensity. It's a good corrective to the warm, fuzzy Jesus many of us have fashioned for ourselves.
