AIR-CONDITIONED GYM FACILITY

Holy Cross is again glad to be offering our basketball clinic for boys and girls at Holy Cross Academy in Rumson. Our gym facility is complete with air conditioning, six adjustable baskets and high tech video screens. Enrollment is limited so please sign up as soon as possible.

My experience in the game of basketball has been numerous years of grammar school and high school coaching, as well as working and supervising various camps along the east coast. I was the Head Girls Basketball Coach at Point Pleasant Beach High School for 9 years and the Head Boys Basketball Coach at Red Bank Catholic High School for 10 years and involved in coaching high school for over 25 years. The Holy Cross CYO Clinic has been in existence for the last 30 years.

This year, all players attending our clinic will receive a T-shirt, clinic basketball and a certificate of award. Our staff is dedicated to improve our participants' skill level and also, their overall understanding of the game.

We look forward to seeing you. The clinic was at full capacity the past ten years, ***so please sign up ASAP.*** Any further questions, please call Michael Feerst at 732-708-3113 Ext. 223 or e-mail mfeerst@hcarumson.org
