

Welcome to the **HCA After School Care Program**. Our program offers an environment consistent with our school philosophy dedicated to providing your child or children with a balanced atmosphere. The hours of supervision are 2:30 p.m.- 6:00 p.m. for all students in grades K-8. After school, your child can socialize with classmates, complete homework (with assistance as needed) and have free play under the supervision of caring educators without leaving the familiar and nurturing environment of Holy Cross Academy.
