

Radiating Christ for 100 Years

For 100 years, St. Ann Catholic Church has been a home for generations, radiating Christ from its location at 51st and Charlotte in Historic West Nashville. Founded in 1921 by the Sisters of Mercy, St. Ann School is the oldest Diocesan school in Nashville and has been a leader in the city's educational landscape throughout its illustrious history.

Today, St. Ann Catholic Church is a thriving and growing community of 600 families. The parish school is beloved by its staff, families, and alumni, as evidenced by its numerous second-, third- and even fourth-generation students, and continues to lead by example through its innovative Hand-In-Hand inclusive program for children with intellectual and developmental disabilities.

St. Ann is proudly situated in a vibrant and historic area of the city that continues to grow—representative of the legacy, growth and excitement happening today at the church and school.

As we plan to honor, recognize and celebrate the 100th anniversary of St. Ann, we invite you to join us in this historic year by becoming a leadership sponsor of our Centennial events and activities.

The year-long celebration, culminating with Saint Ann's Feast Day on July 26th, 2021, is designed to look back and to look forward throughout the year, showcasing our special heritage in community-wide activities and in school curriculum. These moments and events will incorporate members of our St. Ann Church and School communities, the larger West Nashville community, our alumni, and many more.

Details about the various sponsorship levels can be found on the opposite side. Our goal is to show our appreciation for your support in numerous ways.

We look forward to talking with you soon to discuss these opportunities. Thank you for your support of St. Ann Church and School. Peace be with you always.
