Dear Parishioner Families,

Our communities and world need leaders with a foundation in their faith and strong moral values. That's the goal of Catholic education at Saint Francis de Sales Catholic Academy, where students find a nurturing, yet rigorous learning environment based in Christ's teachings.

At the Academy each child grows in meaningful ways, learning they are part of something much greater than themselves and feeling empowered to reach for their highest potential. When our students go on to high school, they not only succeed academically, they also are viewed as compassionate, intellectually strong, faith-filled leaders.

We recognize the cost of a Catholic education may be a barrier to realizing all these benefits. Our parishes are committed to working with each interested family to provide need-based scholarship support to make the Academy's tuition possible.
