

DRESS CODE

The uniform dress code for students provides for **function, simplicity, respect, and modesty.**

The change to allow girls to wear pants was meant to be an option to the uniform skirt when the weather is cold. However, dress pants/slacks are not being worn. Skinny and tight pants are being worn, especially by the older girls. This will not be allowed from this point on.

Girls may wear their uniform skirt with black leggings underneath. They may still wear PANTS or SLACKS. If the student is not wearing the correct pants, a phone call home will be made for an appropriate pair of pants, slacks or uniform skirt to be brought to school.

Boys must wear pants or trousers. They may not wear pants that are banded at the bottom. If a student is not wearing the correct pants, a phone call home will be made for an appropriate pair of pants/trousers to be brought to school.

SHOES

ALL BLACK tennis shoes should be worn with the regular uniform. On Gym days, any color tennis shoe may be worn.
