LIFE OF SAINT ROCCO

Saint Rocco was born of noble parents about 1340 in Montpellier, France. At birth it was noted that he had a red cross-shaped birthmark on the left side of his chest. As a young child, Saint Rocco showed great devotion to God and the Blessed Mother. At an early age, his parents died leaving him under the care of his uncle, the Duke of Montpellier. Soon after, Saint Rocco distributed his wealth among the poor and took a vow of poverty.

Saint Rocco dressed in the clothes of a pilgrim and departed for Rome. At that time, Italy was battling the bubonic plague and Saint Rocco cured many of this dreaded disease by praying for them and making the sign of the cross.

During his travels, he too contracted the plague which was seen by an open sore on his leg. Saint Rocco was banished from the city and took refuge in a cave. Here he slept on leaves and drank water from small stream. Miraculously a dog that refused to eat, faithfully brought him bread to keep him alive. The dog was from a nearby castle and the Lord of the castle followed him one day and discovered Saint Rocco. He took pity on him and brought him back to his castle where Saint Rocco was cured.

Saint Rocco traveled through Italy for a couple more years before returning to Montpellier. He was so weak from suffering that the townspeople did not recognize him and he was thrown into jail as a spy. He was in prison for five years. On August 16, 1378, a guard entered his cell and found Saint Rocco near death. The cell was illuminated with a blue light radiating from his body. Upon hearing this, the governor wanted to know his identity. Saint Rocco faintly replied, "I am your nephew Rocco." Only one thing could prove that so he took off his robe and the cross-like mark was visible on the left side of his chest. The governor and the townspeople then believed and a voice from paradise was heard announcing that Saint Rocco's soul had earned immortal glory in heaven. Even after his death, Saint Rocco performed many miracles.

Saint Rocco is venerated in the Roman Catholic Church as the protector against the plague and all contagious diseases. The statue of Saint Rocco is considered unique because it depicts him with his left hand pointing to an open sore on his leg since most images of saints do not expose any afflictions or handicaps. His body is enclosed in a glass tomb in the church of Saint Rocco in Venice, Italy. Saint Rocco's feast day is August 16th. Saint Rocco Parish celebrates his feast on the Sunday before Labor Day during the annual parish festival.

HISTORY of SAINT ROCCO PARISH & SCHOOL

In 1914, Italian immigrants from the near west-side of Cleveland gathered to pray to Saint Rocco. In 1922, the parish of Saint Rocco was established. In 1924, the Order of Mercy, the Mercedarians, came to serve the parish with Father Sante Gattuso, O. de. M. as pastor. The school opened on September 6, 1927.

BELIEF STATEMENTS

- + We believe we are all God's children.
- + We believe we are a Christ-centered community.

PHILOSOPHY OF CATHOLIC EDUCATION

At Saint Rocco Parish School, we affirm that which the Church has instructed about Catholic Education:

- ♥ All people of whatever race, condition or age, in virtue of their dignity as human persons, have an inalienable right to education (Gravissimum Educationis, 1).
- ♥ Community is at the heart of a Christian education not simply as a concept to be taught but as a reality to be lived (To Teach as Jesus Did, 23).
- ♥ The Catholic school is at the heart of the Church (The Catholic School on the Threshold of the Third Millennium, 11).
- ♥ The Catholic school participates in the evangelizing mission of the Church and is a privileged environment in which Christian education is carried out (11).
- ♥ In the Catholic school's educational project there is no separation between time and learning and time for formation, between acquiring notions and growing in wisdom. The various school subjects do not present only knowledge to be attained, but also values to be acquired and truths to be discovered (14).
- ♥ In the Catholic School, "prime responsibility for creating this unique Christian school climate rests with the teachers, as individuals and as a community." Teaching has an extraordinary moral depth and is one of man's most excellent and creative activities, for the teacher does not write on inanimate material, but on the very spirit of human beings (19).
- ♥ Possessed by charity both toward each other and toward their pupils, and inspired by an apostolic spirit, (teachers) should bear testimony by their lives and their teaching to the one Teacher who is Christ (8).

RELIGIOUS EDUCATION PROGRAM

Daily prayer, religious lessons, Eucharistic celebrations, sacramental preparation, seasonal prayer gatherings and service projects support our Catholic mission. All students, no matter what their religious preference or the preference of their parent/guardian, are expected to participate in religion class and functions during school hours. - + **Sacrament of Penance** is celebrated at least once a month during the school year.
- + **Liturgy/Mass** is celebrated every Wednesday, First Friday and other special days.
- + As students are preparing to receive the sacraments of Baptism, Penance, Eucharist and Confirmation, parents are encouraged to participate in a program of religious instruction.

Servers:

- + Beginning in fourth grade, Catholic male students may be trained to be altar servers

Sunday Mass Obligation:

- + All Catholics families are expected to attend Liturgy every Saturday night or Sunday.

- Students will not be required to wear masks outside at recess and for physical education classes
- Considerations when making these decisions:
 - The science regarding the viral load of children
 - The science regarding the ACE 2 receptors of children

 - The need to see the face of and clearly hear the voices of other people, especially the teacher

The welfare and health of the students and staff of Saint Rocco School is our highest priority. As a result, and in accordance with the State of Ohio COVID-19 Health and Prevention Guidance for Ohio K-12 Schools, all students will be expected to comply with the following policies and instructions, the purpose of which is to reduce the risk of exposure to COVID-19 and to help prevent its spread. Please read this policy carefully.

1. **Daily Health Check at Home.** Prior to coming to school each and every day, parents shall conduct a health check of their child to assess whether the child is experiencing symptoms of COVID-19. The daily health check shall consist of the following:
 - a. Taking the child's temperature.
 - b. Through discussion with the child and personal observation of the parent, assess if the child is experiencing one or more of the following symptoms:
 - i. Fever of over 100 °F
 - ii. Chills
 - iii. Cough
 - iv. Shortness of breath or difficulty breathing
 - v. Fatigue
 - vi. Muscle or body aches
 - vii. Headache
 - viii. New loss of taste or smell
 - ix. Sore throat
 - x. Congestion or runny nose
 - xi. Nausea or vomiting
 - xii. Diarrhea

For up to date information about COVID-19 symptoms and for an interactive symptom checker/self-assessment tool, parents and guardians should visit the website of the Center for Disease Control ("CDC") at <https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>.

If the child has a fever of greater than 100°F or is experiencing any other symptom listed above (or as updated from time to time by the School), the child must stay home from school and the parent must notify the school. The student may return if Covid19 free and has been fever free for 72 hours **(without the use of fever reducing medicine).**

Pursuant to Ohio Department of Health guidelines, families, caregivers and staff shall, as soon as possible, notify the school (i) if they have been exposed to COVID-19, (ii) they, or any members of their households, have been diagnosed with or presumed to have COVID-19, or (iii) they are quarantined. Personnel and students with known exposure to someone with diagnosed or presumed COVID-19 must self-quarantine at home for 14 days or as otherwise advised or instructed by the local

health department. Students who travel to a location with known community spread may choose to self-quarantine at home for 14 days.

For a list of COVID-19 testing facilities, please consult your health care professional or go to <https://coronavirus.ohio.gov/wps/portal/gov/covid-19/testing-ch-centers/>.

2. **Hand Washing & Sanitizing.** Students are expected to wash their hands frequently for at least 20 seconds, including if their hands are dirty, before and after eating, after using the restroom, at other appropriate times (e.g., after blowing their nose/coughing/sneezing, and after touching garbage), and as otherwise instructed. Hand sanitizer, provided by the school at various places around the school, should be used by students to supplement hand washing, including when entering the school or entering or exiting a classroom. Parents and guardians should discuss handwashing with their child. For instructions and information about hand washing and sanitizing, parents and guardians should visit the CDC website at <https://www.cdc.gov/healthyschools/bam/child-development/how-to-wash-hands.htm>.
3. **Social Distancing.** Students must practice social distancing whenever possible. Social distancing means:
 - a. Maintaining three feet of space between oneself and others at all times possible, including in classrooms, hallways, restrooms, cafeteria, and pick-up and drop-off areas.
 - b. If maintaining three feet of space is not possible, maintaining as much space between oneself and others.

 - d. Follow all floor or other markings indicating the designated flow of traffic in hallways, rooms, and elsewhere.
 - e. Avoid when possible sharing items, materials, and spaces with others.
 - f. Maintain social distancing if possible on the bus to and from school.
4. **Face Masks and Coverings.** Face masks or coverings shall be worn by students if and when required by any law, regulation, or governmental order. If no law, regulation, or governmental order requires students to wear face masks or coverings, all students in grades Kindergarten and up are strongly encouraged to wear face masks or shields throughout the school day as well as when being transported to and from school on the bus unless the student is unable to do so for health, safety, developmental, or practical reasons. To be effective, face masks should cover the nose, mouth, and chin of the student and should be made of cloth. Parents and guardians are expected to talk with their child about the importance of wearing masks and to instruct the child on the proper wearing of a mask.

ALTERNATE POLICY (when student masks required): All students in Kindergarten and up are required to wear face masks throughout the school day as well as when being transported to and from school on the bus unless the student is unable to do so for health, safety, developmental, or practical reasons. Students are permitted to wear face shields in the following circumstances: (1) where cloth masks might present a safety hazard (for example, in a science lab); or (2) where the student has difficulty wearing a cloth face covering verified by a note from the student's parent or legal guardian. Face masks or coverings shall be worn by all students if and when required by any law, regulation, or governmental order. To be effective, face masks should cover the nose, mouth, and chin of the student and should be made of cloth. Parents and guardians are expected to talk with their child about the importance of wearing masks and to instruct the child on the proper wearing of a mask.

5. **Students who become Sick at School.** A student who, while at school, develops a fever of greater than 100°F or exhibits any one or more of the symptoms of COVID-19 (not including anything that the school administration reasonably believes to be unrelated to illness, such as seasonal allergies, or isolated incidents of coughing or sneezing) may not remain at school and must be picked up and taken home at the earliest opportunity. Such students will be immediately directed to a designated spot to be

isolated from others except for the staff designated to monitor and care for such students until they go home. In the case of a suspected or confirmed COVID-19 case, the school will call the local health department to report the matter and obtain guidance. Any student who has a suspected or confirmed case of COVID-19 may not return to school until such student meets the CDC's criteria for returning to school. Others who may have been potentially exposed will be notified in accordance with the directives or advice of the local health department.

*******COVID19 policies and procedures may change depending on new information from the Center for Disease Control, the Ohio Department of Health, the Cuyahoga County Board of Health and the State of Ohio*******

VISITORS/VOLUNTEERS

****FIRST QUARTER: NO VISITORS OR VOLUNTEERS** This will be revisited at the end of Quarter I.**

Parent/Guardians are welcome to visit the school. The teaching/learning process is valued time and we choose to support its routines and activities. Therefore, we ask that appointments be made to visit the classrooms.

The success and effectiveness of our school and parish activities depend upon the generosity of time from volunteers. Please be generous with your time for the benefit of the school and parish throughout the year.

Virtus Training from the Diocese of Cleveland is required for all faculty/staff/volunteers. Visit the website www.virtus.org and then follow the directions to complete the program. A copy of your certificate of completion for Virtus training must be kept on file in the school office.

ALL volunteers must enter through the office and obtain a Visitor Pass. The Visitor/Volunteer must wear the badge at all times while in the building and/or on the school/church grounds during school hours.

ATTENDANCE

ATTENDANCE POLICY

Parents/Guardians must accept full responsibility for regular attendance. Regular attendance and punctuality are vital in developing habits and attitudes of responsible behavior for success not only in school but also for life.

Attendance in school is compulsory according to state law, Ohio Code 3321.01 and 3321.03. **After 10 absences, the parents/guardians will be contacted by the principal. After 15 absences, a conference will be required. Students absent for 25 or more days in a school year will have their academic records for the year reviewed by their teacher(s) and administration before promotion to the next grade level.** An “excused absence” such as illness, funerals, emergencies, shadowing, etc. count as a day of absence.

ABSENCE

EACH day the student is absent from school, the parent/guardian is responsible for contacting the school office at 216-961-8557 by 9:00am to state the reason for absence. Calls may be made 24 hours a day with the voicemail system. If a call is not received, the office will call the home or place of work to verify the student’s absence. When a student returns to school, a dated excuse note from the parent/guardian should accompany the student—even if you have called the school.

In accordance with senate Bill 82, “Alianna’s Alert,” if parents/guardians have not alerted Saint Rocco Parish School of an absence or tardy, Saint Rocco Parish School will notify parents/guardians within 120 minutes of the school day beginning.

Parents/Guardians should request absent work to either be sent home with a sibling or picked up in the Office after school. If a student comes to school late due to an appointment or leaves school for an appointment, the parent/guardian is asked to come into the building and sign out his/her student.

Absences not due to illness/Vacations: It is the responsibility of the parent/guardian to notify the school office and the teacher in advance by email or written note. Since it is difficult to predict the amount of schoolwork accomplished during the student’s absence, all assignments will be given to the student upon his/her return to class. Students/Parents are responsible for contacting their teacher(s) regarding schoolwork missed and will be given appropriate time to complete work upon their return to school.

There are many days/times off throughout the school and calendar year, therefore family vacations should be planned to coincide with the school calendar.

TARDINESS

Any students arriving after 8:05am must report directly to the office for a tardy slip. **Tardiness not only disrupts the school routine, but also negatively impacts a student’s ability to come to school ready to learn.**

Chronic and habitual tardiness is contrary to the mission of the school and is a violation of the Educational Neglect Bill (Senate Bill 181). Parents/guardians have a legal responsibility for making sure each of their children arrives to school on time.

For every 3 tardies a student receives, he/she will serve one after school detention. If a student is repeatedly tardy, further consequences may include but not be limited to: parent-principal conference and/or the parent/guardian being reported to the proper authorities.

Absences/Tardies will be recorded as follows:

- Tardy after 8:05 am
- ½ day absent if arrive after 10:30 am
- ½ day absent if leaves on or before 12:30 pm
- 1 day absent- excused when parent calls in absence

Progress reports are completed through the school year and shared with parents. IEPs are reviewed annually and three year evaluations of student progress are also completed in partnership with the Cleveland Municipal School District.

HOME EDUCATION/ HOMEWORK

Homework extends the learning begun in the classroom, promotes independent study, encourages individual initiative, provides extra practice needed to perfect fundamental skills, makes use of resources outside the school, recognizes individual differences and enriches learning.

Suggested time to be spent on homework each school day:

| | |
|----------------|---------------|
| GRADES K- 1 | 15-20 minutes |
| GRADES 2-3 | 20-30 minutes |
| GRADES 4-5 | 30-60 minutes |
| GRADES 6, 7, 8 | 60-90 minutes |

- Students in grades 2-8 are required to keep a daily assignment notebook
- Parents/guardians are encouraged to use the websites (Option C, Class Dojo) to verify daily assignments
- Individual teachers set the homework policy for their classes.
- Students are not permitted to return to their classrooms after 3:30pm to retrieve forgotten materials

ASSESSMENT

Assessment is an important component of the teaching and learning process. Evaluation helps teachers determine student progress and the effectiveness of current teaching strategies and methods. Fair and accurate assessment of the student is best achieved when various types of techniques are consistently used. Assessment of learning may be tests, quizzes, homework, projects, and the standardized testing program.

Assessment may also include: classroom participation, cooperative group learning projects, hands-on experiences, techniques reflecting multiple intelligence learning, observation and other activities where the student is actively engaged in the teaching and learning process.

GRADING SCALE

| | | | | | | | |
|----|---------|----|--------|----|--------|----|--------|
| A+ | 100-98% | B+ | 92-90% | C+ | 84-82% | D+ | 76-75% |
| A | 97-95% | B | 89-87% | C | 81-79% | D | 74-72% |
| A- | 94-93% | B- | 86-85% | C- | 78-77% | D- | 71-70% |

Honors will be awarded to students in Grades 4-8 quarterly using the following criteria:

| | | |
|--------------------------|---|-------------------------|
| First Honors | A+, A, or A- in every subject | Good effort and conduct |
| Second Honors | All As and Bs in every subject | Good effort and conduct |
| Merit Honors | As, Bs, and two Cs in every subject | Good effort and conduct |
| Principal's Award | Awarded to any student whose grades have improved from the previous quarter | Good effort and conduct |

Computer and physical education classes will be included in the equation for honors.

Students receiving two or more disciplinary incidents in one quarter will not be eligible for Honors that Quarter. At the end of the quarter, the administration will review disciplinary infractions regarding Academic Honors on a student-by-student basis. Decisions made by the administration are final.

PROMOTION AND RETENTION

The Principal, after consultation with the teacher and parent, makes the final decision as to the promotion or retention of a student. Retention is based on several conditions (such as behavior, effort, and homework completion AS WELL AS academic scoring) and is considered to be a serious matter. Completion of a Summer School Program does NOT automatically permit promotion to another grade. Students that transfer to our school from another location who are not in their regular grade due to retention may not be placed in their regular grade based upon request or circumstance. Saint Rocco Parish School follows the same regulations of the Ohio Department of Education.

TESTING PROGRAM

Participating in standardized test programs offers data to assist the administrators and teachers in a systematic evaluation of the academic program to provide a high-quality education for the students. Saint Rocco Parish School participates in the following standardized tests:

It is SO IMPORTANT that your student(s) are ON TIME and IN SCHOOL during testing periods. Please make every effort to have your child in school during these times-as well as each and every other school day.

ACADEMIC HONESTY

A student in a Catholic School is expected to be engaged in the academic process and rise to the challenge of a demanding curriculum. The goal is acquisition of basic knowledge and demonstrated skills that form the foundation of further studies. A student who accepts responsibility for his/her own performance practices the policy of academic honesty.

Academic dishonesty is cheating or the dishonest acquisition of assigned work or test/quiz results. A student who cheats on homework, class work, projects, tests, or quizzes is guilty of academic dishonesty. Copying someone else's work removes the learning component and invalidates the homework. Plagiarism is "copying, either verbatim or in substance, the words or even the thoughts and opinions of another without crediting the author." All sources must be referenced including literary courses, computerized sources and another student's work.

ENRICHMENT OPPORTUNITIES

Extracurricular opportunities are very important in a student's development. Extracurricular activities have been shown to improve academic performance, help learn time management skills, allow for learning new skills, instill a sense of commitment and can be just plain fun.

Saint Rocco Parish School will be providing extra-curricular activities moderated by our teachers. All students will be engaging in an activity on Friday afternoons throughout the school year.

Participation in Saint Rocco Parish School extra-curricular activities is contingent on acceptable grades and behavior.

PREKINDERGARTEN PROGRAM

Saint Rocco Parish School offers a Prekindergarten program to children who are 4 years old by Aug 15th. The prekindergarten program is licensed and monitored by the Ohio Department of Education. The State of Ohio provides a written curriculum which describes developmentally appropriate activities, learning environment and approaches which meet the individual needs of children.

Saint Rocco Parish School Prekindergarten offers children an opportunity for interaction with other children and adults in an atmosphere of Christian love and concern. The program promotes spiritual, intellectual, social, emotional, and physical growth of the young child in a creative learning environment. Age-appropriate developmental experiences and play activities support the following program goals:

- Reminded of the rules
- Invited to cooperate
- Guided toward self-correction
- Helped to understand why the inappropriate behavior should change

A prekindergarten staff member in charge of a child or group of children shall be responsible for their discipline. The Ohio Department of Education Preschool Licensing Rules requires that actual methods of discipline shall be restricted as follows:

- There shall be no cruel, harsh, corporal punishment or any unusual punishments such as, but not limited to punching, pinching, shaking, spanking, or biting.
- No physical restraints shall be used to confine a child by any means other than holding a child for a short period of time, such as in a protective hug, so the child may regain control.
- No discipline shall be delegated to any other child.
- No child shall be placed in a locked room or confined in an enclosed area such as a closet, a box, or a similar cubicle.
- No child shall be subjected to profane language, threats, derogatory remarks about himself, or his family, or other verbal abuse.
- Discipline shall not be imposed on a child for failure to eat, failure to sleep, or for toileting accidents.
- Techniques of discipline shall not humiliate, shame, or frighten a child.
- Discipline shall not include withholding rest, food, or toilet use.

- The school shall not abuse or neglect children and shall protect children from abuse and neglect while in attendance in the preschool program.

Parents/Guardians will be made aware of any inappropriate behavior.

Communication between home and school is vital and is offered regularly through phone calls, emails, notes, conferences, newsletter and website news.

Prekindergarten class follows the school calendar year. Attendance, tardiness, special dismissal and all health procedures are the same as the elementary school. Ohio law dictates that all Prekindergarten children have a physical examination and medical form on file in the school clinic.

Parents/Guardians provide transportation for Prekindergarten children. Children will only be released to individuals indicated on the Pick-up Authorization Form.

Parents/Guardians are always welcome to visit at any time by coming to the school office to sign in and receive a visitor's pass. They may also review the latest inspections and are welcome to contact the Ohio Department of Early Education (614-466-0224).

Prekindergarten children do not wear uniforms. Prekindergarten students are to wear play clothes appropriate for the weather conditions and tennis shoes each day. Proper outdoor clothing and snow boots are necessary for winter outdoor play.

COMMUNICATION

Communication between home and school is vital and is offered regularly through Thursday mail, school and teacher websites, school and teacher newsletters, email, notes, phone calls, conferences, etc. If you are sending an important message needing immediate attention, a phone call to the office is best. Emails and faxes are difficult for teachers and staff to check during the day. Please allow *two business days* for faculty and staff to respond to a phone call or email.

Change of Routine

If there is a change in a student's usual routine regarding transportation, absence, after school care participation, or another circumstance, please send a note/email to school the morning of the change.

Change of Family Information/Transfers/Withdrawals

Should a family change their phone number(s), place of residence, or if any changes occur within the family unit, please notify the school office *as soon as possible*. If a transfer of schools is necessary, the parent/guardian must sign a release of records form before the student records will be sent to the receiving school.

Telephone Usage

Students may not call or text for assignments, forgotten P.E. clothes or other materials. They may ask permission from the office staff to make calls for other approved reasons. Except for an emergency, the office staff will take messages for teachers and students from parents/guardians.

Cell Phones

Saint Rocco Parish School understands that cell phones are an important communication tool. However, students DO NOT need them during the school day. Cell phones have become a distraction to daily classroom learning.

Students in grades 2-8 are to put their cellphones (or any other communicative device, i.e. Apple Watch, Kid Call Watch) into a classroom basket each day when they enter the classroom. After end of the day announcements, students will receive their phone/device back.

Cell phones may not be used until the completion of dismissal and the student has left the Saint Rocco Parish School grounds. If a parent/guardian needs to get in touch with his/her child(ren), please call the school office. If a student does not follow this procedure, code of conduct consequences will apply. Students are responsible for loss or damage to cell phones/devices.

Thursday Mail

Each Thursday, memos from the office, graded papers, information from teachers, etc. will be sent home in a special folder for every student or through Option C (for remote learners). Folders will need to be reviewed, signed and returned on Friday and for remote learners we will check to see that the email has been opened. Copies of school information will be available on the school website.

Websites

- www.saintroccoschoolcle.org is the school's main website and is a valuable resource for parents. Information about school news/events, calendars, various forms, lunch program, Thursday folder

contents, etc. can all be found there. We strive to keep this information current for our school families. Please check the site regularly.

- www.OptionC.com In Option C parents/students can view assignments: future, missing and late; conduct records (any demerits/detentions) attendance, and notifications from teachers/administration. Parents can send and receive private messages with teachers and staff. Conferences can be scheduled. Receive important alerts from the school via email, text and phone call. Report cards can also be viewed in OptionC.

Child Custody

Each year a legal custody form is to be completed by each family and will be kept on file in the school office. In a case where custody papers are applicable, the school must receive documents from the courts naming the custodial parent/guardian. In the case of divorce, a copy of the final court decree is to be kept on file. Pertinent information for the school and diocese is custodial/parental sharing plans and educational financial responsibility—other information may be redacted.

The school will abide by the court orders regarding custody and sharing of information regarding the student(s). Further to ensure the safety and well-being of our students, any changes regarding custody issues need to be brought to the immediate attention of the Principal/Office.

Child Abuse Referral Guidelines

All school employees are mandated reporters under Ohio Law (OR 2151.421) and shall report all known or suspected child abuse or neglect by contacting the County Department of Children and Family Services or a municipal officer.

Conferences

Communication between home and school is essential and supports the growth and development of the child. In order to strengthen the relationship of home and school, we ask that parents/guardians always contact the school office personnel to clarify any questions. Parents/guardians are asked to participate in yearly conferences—October and March—with teachers.

If you would like to schedule a conference with your child's teacher at other times, please contact that teacher directly by email, note or phone call.

Field Trips and Forms

Each time your child leaves the building for a field trip, a written permission slip, signed by the parent must be on file in the office. No child will be allowed to attend any field trip unless a signed permission slip is on file before the class leaves for the trip. Field trips are arranged by teachers with the approval of the principal. Field trips within our county and to nearby points of interest are scheduled by various classroom teachers throughout the year. These trips are designed to supplement different aspects of the classroom curriculum and to introduce students to the resources of the community. A fee may be requested from each student to cover transportation or facility use costs.

Addressing School Concerns

If a concern should arise with a teacher, staff member and/or a classmate, please

- Contact the teacher/staff member to discuss the concern. If the concern is NOT resolved...
- Contact the principal to discuss the matter

All concerns will be respectfully listened to and addressed according to proper procedures. They will also be kept confidential.

HEALTH AND SAFETY INFORMATION

Saint Rocco Parish School staffs a nurse once a week on Thursdays. It is essential that parents/guardians keep the school office informed of their child(ren)'s medical condition including documented allergies and any/all medications prescribed to them.

Emergency Forms

Families **must** fill out an emergency authorization form at the start of each school year. These forms are kept in a locked file cabinet in the school office. The form which is due the first day of class, directs the school's course of action in the case of an emergency. It is the responsibility of the parent/guardian that they immediately notify the school of any changes that may occur during the course of the school year (phone numbers, medical history, emergency contact information, etc.) so that this information is always up-to-date.

Medications

Students may not keep any type of medications (including over the counter) with them during the school day, other than those students with a Self-administration or Administration form on file in the school office (i.e. Epi-pen, inhalers). Appropriate forms and procedures that follow diocesan and state guidelines for the administration of medications will be followed. Forms are available in the school office.

Immunizations/Physicals

Students are required by Ohio State Law to have all necessary immunizations. Questions regarding vaccinations are to be directed to the school nurse. Also, children entering the Prekindergarten, Kindergarten or new to our school are required to have a physical examination on file in the school office.

Screening

During the school year, the school nurse completes the following health screenings:

- ⇒ Vision Screening
- ⇒ Height and Weight
- ⇒ Gross Dental Exams
- ⇒ Postural Screening
- ⇒ Hearing Screening

All concerns regarding the screenings will be addressed with parents/guardians.

Illness/ Emergency During the School Day

If a student becomes ill during school hours, he/she will be sent to the office or nurse's office. In the case of a "mildly ill" child, as well as children exhibiting signs or symptoms of illness, the school office or nurse may contact the parent/guardian. Together they can decide on whether the student is to remain in school or be discharged.

If the student is involved in a medical emergency, the office/nurse will follow the directives given by parents/guardians as indicated on the emergency medical form which is completed by each family at the beginning of the year.

Contagious Disease

All staff members are trained in the recognition of signs and symptoms on communicable diseases. All staff members and children follow required hand washing procedures by using antibacterial soap and paper towels/electric hand dryers. Reminders to this effect are posted. Classroom and staff members regularly disinfect tables, chairs, cots, material and equipment, etc.

Please note:

- A child with any of the following signs or symptoms of illness shall be immediately isolated and discharged to his/ her parent/guardian: Vomiting, Diarrhea, severe coughing, difficult or rapid breathing, yellowish skin or eyes, conjunctivitis (pink eye), temperature of 100 degrees Fahrenheit when combined with other signs of illness, untreated infected skin, unusually dark urine and/or gray or white stools, stiff neck, evidence of lice, scabies or other parasitic infestation.
- Decisions regarding whether the child should be discharged immediately or at some other time during the day shall be determined by the administration and the parent/guardian. The child, while isolated, will be carefully watched for symptoms listed above as well as: unusual spots or rashes, sore throat or difficulty swallowing, elevated temperature, and vomiting.
- Parents/guardians are asked to contact the school office and/or nurse when his/her child has been diagnosed with a contagious disease. This includes ringworm, strep throat, chicken pox, measles, mumps, scarlet fever, impetigo, conjunctivitis and head lice.
- When a child has been home with an illness, the child may not return to school until free of symptoms and temperature has been normal for 72 hours without taking fever reducing medicine.
- Additionally, students who have been absent from school due to illness and are not well enough to participate in regular classroom activities or outdoor recess should remain at home until they are well enough to fully participate in the school day.
- Students who miss 5 consecutive days due to illness are required to have a doctor's note upon return to school.

Students are provided with breakfast and lunch daily. Students may also bring their lunches to school. Students bringing lunches should have his/her name clearly marked on the lunch bag.

Please remember that glass containers, gum and candy are not to be brought to school. Please instruct your child(ren) in proper eating habits and manners.

Treats:

Birthday treats may be brought to the school to be distributed as a lunch time treat. When sending in treats, please try to avoid peanut products. In fact, consider a non-food item as a birthday treat as well. Please check with teacher for student allergies/food considerations.

CODE of CONDUCT

One of the most important objectives of the faculty and staff of Saint Rocco Parish School is to educate all students in a Catholic Christian atmosphere with a spirit of dignity and justice.

We believe in order to students to meet the challenges that they will face in our society and to grow in genuine adult maturity, the development of self-discipline and individual responsibility is essential. We further believe that with a desire to follow the teachings of Jesus, the students will develop a personal code of moral values and will practice these values that will serve them all their lives as well as benefit those with whom they work and live.

The conduct and discipline policy of Saint Rocco Parish School has been established in order to ensure the rights of each student in a calm, safe, and secure environment and to provide guidelines for appropriate behavior. Students are expected to respect these rules in school, on the playground, at bus stops, on field trips, at school-sponsored events or anywhere the students are representing Saint Rocco Parish School. The support and cooperation of parents/guardians is central in promoting and affirming appropriate student behavior and in accepting the consequences of code violations.

LUNCH AND RECESS PROCEDURES- SEE COVID19 PROCEDURES on p.7

Each day students will have a 40-minute lunch/recess period (20 minutes to eat and 20 minutes for recess). We expect students to be outside daily whenever the temperature (including the wind-chill) is above 32 degrees Fahrenheit. Therefore, students should come to school properly dressed for the weather.

Lunch:

- ⇒ Students should WALK into line and WALK with their lunches
- ⇒ Students should eat healthy foods provided before eating sweets or purchasing extras from “a la carte.”
- ⇒ Please remember that NO GLASS CONTAINERS of any sort may be brought to school.
- ⇒ After eating, clean up your area, and WALK to the garbage can to dispose of your trash. Do not throw trash from your seat (or any other location) into the garbage can.

Recess:

- ⇒ Playground equipment is supplied by the school; therefore, additional toys should not be brought from home.

DIOCESAN POLICIES

ACCEPTABLE USE OF TECHNOLOGY

Student Acceptable Use Policy

Saint Rocco Parish School

Diocese of Cleveland

2021-2022

Saint Rocco Parish (the “School”) makes a variety of communications and information technologies available to students through computer/network/Internet access. These technologies, when properly used, promote educational excellence by facilitating resource sharing, innovation, and communication. Illegal, unethical or inappropriate use of these technologies can have dramatic consequences, harming the school, its students and its employees. The Acceptable Use Policy (“Policy”) is intended to minimize the likelihood of such harm by educating the School’s students and setting standards that will serve to protect the school. We firmly believe that digital resources, information and interaction available on the computer, network or Internet far outweigh any disadvantages.

Definition of school technology system: The school systems and networks (collectively, “System”) are any configuration of hardware and/or software whether used on or off school property. The System includes, but is not limited to, the following:

- telephones, cellular telephones, and voicemail technologies;
- email accounts;
- servers;
- desktop and laptop computer hardware and peripherals;
- software including operating system software and application software including without limitation video conferencing software;
- digitized information including stored text, data files, email, digital images, and video and audio files;
- internally or externally accessed databases, applications, or tools (Internet- or District-server based);
- school provided Internet access;
- school filtered public Wi-Fi;
- school provided Chromebooks;
- school provided personal digital assistants (“PDAs”), tablets, IPADs and similar devices;
- school issued access to third party websites (i.e., Google apps, Zoom, Flipgrid, Dojo, etc.) ; and
- new technologies as they become available.

Acceptable Use: Students are responsible for appropriate behavior on the System just as they are in a classroom or on a school playground. Communications on the System are often public in nature. General school rules for behavior and communications apply. It is expected that users will comply with school standards and the specific rules set forth below as interpreted from this policy, whether on or off of school property. A student is personally responsible for his/her actions in accessing and utilizing the school’s computer resources in accordance with Student Code of Conduct and may be subject to discipline for misuse of the System.

Access to communication system: Access to the school’s electronic communications system, including the Internet, shall be made available to students for educational and instructional purposes. Each school computer/device and Wi-Fi (available for students who bring in their own personal telecommunication devices) has filtering software that block access to visual deceptions that are obscene, pornographic, inappropriate for students, or harmful to minors as defined by the federal Children’s Internet Protection Act (CIPA). Filtered Internet access is provided to students as defined by CIPA.

Access to the School’s computer/network/Internet is a privilege, not a right, and may be revoked at any time.

Scope of Use: The System is intended for use for educational and instructional purposes only. Incidental, personal use shall be allowed only so long as such use is appropriate for a school setting, non-disruptive to the school's operations and mission, and not in excess or to the exclusion of the student's studies or school responsibilities.

Inappropriate Use: Inappropriate use includes, but is not limited to, those uses that are specifically named as violations in this document; that violate the rules of network etiquette; or that hamper the integrity or security of the System or any components that are connected to it.

Transmission on the System, including through email (personal or school accounts), social media, web pages, blogs and/or forums, of any material in violation of any federal or state law or this Policy is prohibited. This includes, but is not limited to:

- cyber bullying;
- threatening, pornographic, harassing, defamatory or obscene material;
- copyrighted material, plagiarized material or materials protected by trade;
- the use of hardware and/or software which disrupts or interferes with the safety and welfare of the school community (even if such uses take place after school hours or off school property).

Vandalism or Mischief: Tampering with or theft of components from the System may be regarded as criminal activity under applicable state and federal laws. Any attempt to break the law through the use of a school computer/network/Internet account may result in prosecution against the offender by the proper authorities. If such an event should occur, the school will fully comply with the authorities to provide any information necessary for legal action.

Modification of Computer: Modifying or changing computer/device settings and/or internal or external configurations without appropriate permission is prohibited and may result in discipline and/or the revocation of access to the System.

Student Access: System access is provided to all students unless parents or guardian request in writing to the school principal that access is denied. BULLYING/ANTI-HARASSMENT

Saint Rocco Parish School believes in the sanctity of human life and the inherent dignity of the human person. We believe that all students, school employees and volunteers have a right to a safe and healthy school environment. All members of the school community, in turn, have an obligation to promote mutual respect, tolerance, and acceptance.

The principal will provide staff development training in bullying prevention and cultivate acceptance and understanding in all students and staff to build the school's capacity to maintain a safe and healthy learning environment. Teachers discuss this policy with their students in age appropriate ways and should assure them that they need not endure any form of bullying. 48 Harassment, intimidation, or bullying behavior by any student/school personnel at Saint Rocco Parish School is strictly prohibited, and such conduct may result in disciplinary action, including suspension and/or expulsion from school. "Harassment, intimidation, or bullying," in accordance with House Bill 276, means any intentional written, verbal, graphic or physical acts including electronically transmitted acts i.e., Internet, cell phone, personal digital assistant (PDA), or wireless hand-held device, either overt or covert, by a student or group of students toward other students/school personnel with the intent to harass, intimidate, injure, threaten, ridicule or humiliate. Such behaviors are prohibited on or immediately adjacent to school grounds, at any school-sponsored activity, on school-provided transportation or at any official school bus stop that may have the effect of:

1. Causing mental or physical harm to the other student/school personnel including placing an individual in reasonable fear of physical harm and/or damaging of students'/personal property; and
2. Is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student/school personnel.

school employee or volunteer through words or actions whether in the classroom, on school property, to and from school or at school sponsored events, or from any computer/ computing device not on school property.

Definition

“Harassment, intimidation or bullying” means any intentional written, verbal, graphic, or physical act that a student or group of students, school employee or volunteer exhibited toward another particular student, school employee or volunteer and the behavior both:

1. Causes mental or physical harm to the other; and
2. Is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening or abusive educational environment for the other.

Such behavior includes overt intent to ridicule, humiliate or intimidate another student, school employee or volunteer. Examples of conduct that could constitute prohibited behaviors include:

1. Physical violence and/or attacks;
2. Threats, taunts and intimidation through words and/or gestures;
3. Extortion, damage or stealing of money and/or possessions;
4. Exclusion from the peer group or spreading rumors; and
5. Repetitive and hostile behavior with the intent to harm others through the use of information and communication technologies and other Web-based/online sites (also known as “cyber bullying”), such as the following:

 - Sending abusive or threatening instant messages;
 - Using camera phones to take embarrassing photographs of students and posting them online; and
 - Using Web sites to circulate gossip and rumors to and about other students;
 - Excluding others from an online group by falsely reporting them for inappropriate language to Internet service providers.

Procedure for the Alleged Victim

1. Communicate to the harasser that the individual expects the behavior to stop, if the individual is comfortable doing so. If the individual wants assistance communicating with the harasser, the individual should ask a teacher, counselor or principal to help.

2. If the harassment does not stop, or the individual does not feel comfortable confronting the harasser, the individual should:

- Tell a teacher, counselor or principal; and
- Write down exactly what happened, keep a copy and give another copy to the teacher, counselor or principal including:

 - o How the harasser responded.

Complaint Procedure Saint Rocco Parish School expects students and/or staff to immediately report incidents of bullying to the principal or his/her designee. Staff members are expected to immediately intervene when they see a bullying incident occur. “A school employee, student, or volunteer shall be individually immune from liability in a civil action for damages arising from reporting an incident in accordance with a policy if that person reports an incident of harassment, intimidation or bullying promptly in good faith and in compliance with the procedures specified in the policy.” (ODE Model Policy, Rev. 03, 05/14/07 #2.2.11.)

The principal upon receiving a complaint must notify parents or guardians of any student involved in a prohibited incident and must provide access to any written reports pertaining to the prohibited incident within the spirit of the Ohio Revised Code 3319.321 and the Family Educational Rights and Privacy Act of 1974 as amended.

The principal may appoint an investigator. The complainant completes an *Anti-Harassment/Bullying Complaint Form*. Any evidence of the harassment, including but not limited to letters, tapes and pictures should be turned over to the investigator. Each complaint of 50 bullying will be promptly investigated. The principal or the investigator, with the approval of the principal, has the authority to initiate an investigation in the absence of a written complaint.

Any witness to the event is encouraged to complete an *Anti-Harassment/Bullying Witness Disclosure Form*. Information received during the investigation is kept confidential to the extent possible. Saint Rocco Parish School prohibits retaliatory behavior against any complainant, witness or any participant in the complaint process. Any person who engages in bullying may be subject to disciplinary action up to and including expulsion.

Investigation Procedure

It is imperative that harassment, intimidation, or bullying be identified only when the specific elements of the definition are met because the designation of such prohibited incidents carry special statutory obligations. However, misconduct by one student against another student, whether appropriately defined or not, will result in appropriate disciplinary consequences for the perpetrator.

In evaluating whether conduct constitutes harassment, intimidation or bullying, special attention should be paid to the words chosen or the actions taken, whether such conduct occurred in front of others or was communicated to others, how the perpetrator interacted with the victim, and the motivation, either admitted or appropriately inferred.

The investigator will reasonably and promptly commence the investigation upon receipt of the complaint. The investigator will interview the complainant and the alleged harasser. The alleged harasser may file a written statement in response to the complaint. The investigator may also interview witnesses as deemed appropriate.

Upon completion of the investigation, the investigator will make written findings and conclusions as to each allegation of harassment and report the findings and conclusions to the principal. The investigator will provide a copy of the findings of the investigation to the principal.

Resolution of the Complaint

Following receipt of the investigator's report, the principal may investigate further, if deemed necessary, and make a determination of any appropriate additional steps that may include discipline. Prior to the determination of the appropriate remedial action, the principal may, at the principal's discretion, interview the complainant and the alleged harasser. The principal will file a written report closing the case and documenting any disciplinary action taken or any other action taken in response to the complaint. The complainant, the alleged harasser and the investigator will receive notice as to the conclusion of the investigation. The principal will maintain a log of information necessary to comply with Ohio Department of Education reporting procedures.

Points to Remember in the Investigation

- Evidence uncovered in the investigation is confidential.
- Complaints must be taken seriously and investigated.
- No retaliation will be taken against individuals involved in the investigation process.
- Retaliators will be disciplined up to and including suspension and expulsion.

Conflicts

If the investigator is a witness to the incident, an alternate investigator shall be appointed to investigate.

Chemical Abuse

The Saint Rocco Parish School community recognizes that chemical dependency is a treatable illness. The school has a dual responsibility in cases of chemical dependency. First, the school recognizes its responsibility to direct the student and his/her family to seek professional help. School personnel will assist the family with referral to a helping outside agency. Second, the school has a responsibility to hold the student accountable for his / her actions by appropriate disciplinary actions as determined by the principal and pastor. The same measures will be taken if a student offers and / or sells alcohol, drugs, weapons, etc.

Lockers and desks are property of the school and are subject to a search at any time. The student's person or property will be searched when reasonable suspicion exists that a violation of a school rule has occurred.

Wellness, Food and Beverage Policy

Catholic education has as its goal the total development of the individual as a responsible member of the family, the Catholic faith community and the global community in which we live. Good health is essential to wholesome growth through the spiritual, mental, physical and social development of the individual as well as the community.

A major theme of Catholic social teaching, Human Dignity and the Value of All Life, carries the responsibility to care for the health and well-being of not only oneself, but of others. The concept of wellness is a core principle undergirding both health and physical activity. The parable of the talents indicates that we are expected to develop our potential and our gifts. Another of the justice themes calls us to Care for God's Creation. There is a direct relationship between the health of the planet and the health of its human inhabitants. The link between nutrition, physical activity, and learning is well documented. Healthy eating and activity patterns are essential for students to achieve their full academic potential, full physical and mental growth, and lifelong health. Healthy eating and physical activity, essential for a healthy weight, are also linked to reduced risk for many chronic diseases. The schools of the Diocese of Cleveland, and the community itself, have a responsibility to help students learn, establish, and maintain lifelong, healthy eating and activity patterns.

Statement of Policy

The schools of the Diocese of Cleveland are committed to providing school environments that promote and protect children's health and well-being. It is the policy that:

- All students in grades K-12 will have opportunities, support, and encouragement to be physically active on a regular basis and school staff will be encouraged to role model healthy eating behaviors.
- To the extent practicable, schools will participate in available school meal programs and students will be provided access to a variety of affordable, nutritious and appealing foods that meet their health and nutrition needs, while accommodating the religious, ethnic, and cultural diversity of the student body in clean, safe, and pleasant surroundings with adequate time to eat.
- Food and beverages sold or served throughout the school day will meet, at a minimum, nutrition requirements established by local, state, and federal statutes and regulations as well as, to the maximum extent possible, incorporate the Dietary Guidelines for Americans.

This roster will be available upon request and will be furnished to no other persons but the parents/guardians and school administration.

Emergency Forms

Families **must fill out an emergency authorization form at the start of each school year.** These forms are kept in a locked file cabinet in the school office. The form which is due the first day of class, directs the school's course of action in the case of an emergency. It is the responsibility of the parent/guardian that they immediately notify the school of any changes that may occur during the course of the school year (phone numbers, medical history, emergency contact information, etc.) so that this information is always up-to-date.

Medications and Procedures

The child will be isolated in the nurse's office until the parent arrives. Children may return to school after symptoms are gone or with a note from the doctor, depending on the illness.

Please inform us if your child becomes ill with a contagious illness. Notes will be sent home with the other children to warn parents of contact and incubation of communicable diseases. The staff is trained in communicable diseases, as required by the State of Ohio. They will observe all children upon arrival. If any communicable disease symptoms are present, the child will be escorted to the nurse for further observation.
