

## **All are Invited**

Family Prayer

November 22nd @ 9:40

In the Parish Hall (where we are temporarily holding Mass)

Each month we have been holding a short family prayer service @ 9:40 a.m. with our faith formation families.

This month two of our students in our 4th/5th grade class will lead us in prayer as we Pray the **Litany of Saints** prayer. We chose this prayer to honor all the Saints who are storming heaven for us and taking our petitions to Jesus. We will also be praying the **St. Catherine Laboure Devotional** prayer in honor of our Parish's Patron **Saint Catherine Laboure whose feast day is this month - November 28th**. This will also be led by one of our students.

All are welcome to come pray with us at this time - and for any of our families who have not joined us - I once again encourage your attendance. It is always good for us to come together and pray as a Church family and for your children to do this with their peers.

Come pray with us!
