Holy Spirit Catholic School is committed to the principle that no student should be denied a Catholic education. Family requests for tuition scholarship will be carefully considered in relation to the annual guidelines established by the Diocese of Marquette and private scholarship donors. As a general rule, tuition assistance is granted based upon firmly set criteria and formula. While the school is provided some discretion, assistance is primarily granted based upon family size and income. Situations involving special financial circumstances should be brought to the attention of the Office for review and consideration.
