## **Use of Technology/Media Center, Library, and Equipment**

Dear Parent/Guardian,

With the use of Holy Spirit School materials comes responsibility. Calculator and computer usage is a privilege. It is very important that students use the Internet for productive reasons and do not abuse this privilege. Our library is a gift and students are responsible for the care and handling of the books they check out. Textbooks will be issued for use. Loss or damage of the books will result in a charge to the student. Please discuss this with your child and sign the agreement below.

### **User Agreement and Parent Permission**

As a user of the Holy Spirit Catholic School Media Center, Library, textbooks and equipment, I hereby agree to comply with all rules. I will use the Internet responsibly while honoring all relevant laws and restrictions. I will treat library books and textbooks with care. I will accept responsibility for loss or damage to the books that I use.
