The lunch service can give lunches in emergency situations, but the parent will need to pay for the lunch. If this happens again, please notify the office.

Maintenance/Projects:

- Need another touchless water station
- Officer Gary Scott
 - At 1100 Prado (right in front of 1102 Prado St) there was a painted fire lane but it has greatly faded. The St. James School at 907 W Theo Ave has an exit towards this road that is greatly used by staff and parents. Due to the faded red curb, residents are parking in this fire lane and makes it difficult for the exit to be utilized. I am curious if you could help get this repainted or steer me in the right direction to get this curb repainted.
 - Also, the school inquired if a right turn only sign could be posted at Prado St and Nogalitos St during school hours to decrease the congestion. The times are 7-9am & 2-4pm. It would need to be placed on the Prado St EB side Nogalitos St right behind the Walgreens.
