Dear Parishioners:

As you are aware, I have been named Pastor of Most Sacred Heart of Jesus Parish. In accordance with Diocesan directives, this assignment charges me with the challenging task of assessing the needs of a new parish configuration moving forward.

In the coming weeks, in consultation with the clergy team, pastoral and finance council's, I will be reviewing parish finances and our needs for employees for our parish. I am faced with the difficult task of deciding employment positions for our parish. In order to create financial stability, maintain parish vibrancy, and not duplicate job designated tasks, it may be necessary to reduce or realign the current number of staff. Please see future bulletin and website announcements for further information. Let us pray for God's guidance during this challenging time.

God bless you,
Fr. Frank
