Sri, Edward

Filmed on location in Rome, the Holy Land, Calcutta and in the Augustine Institute, a team of teachers provide a clear and comprehensive explanation of the core teaching of the Catholic Church in ten segments. **The Holy Spirit and the Life of Grace: God's Divine Life within Us** - One of the most profound aspects of the Catholic faith is that Christ sent his Spirit to dwell in the hearts of the baptized. Christ's Spirit within us conforms us ever more to Christ, so that we can say with St. Paul, "It is no longer I who live, but Christ who lives in me." (37 min.). **Why Do I Need the Church? The Mystery of the Catholic Church** - Some people say, "I'm spiritual, but not religious." or "I like Jesus, but don't need a Church." Yet one cannot fully love the King and reject his Kingdom. Jesus did not save us as isolated individuals. He calls us to enter the communion of the Church (45 min.). Note: This segment on Church begins with a negative interpretation of the motivations of non-practicing Catholics. Viewers may wish to skip through the first several minutes of part one in segment two. (Includes Participant's Guide and Leader's Guide. Program Introduction Guide available upon request.)

Those submissions were compiled and then sent to the Archdiocese of Dubuque. The result is a listing of the Archdiocesan Top Ten Reasons to Be Catholic. A learning and faith sharing session was then developed for each of these ten distinctively Catholic treasures of our Faith. An essential component to each of these sessions is the use of witness talks by various members of the Archdiocese of Dubuque. Young and old, from parishioner to Archdiocesan staff, people from all walks and means of life share their thoughts and feelings about the treasures of the Catholic Faith. This disc includes the witness talks on Eucharist, Sacraments, Community, and Mary.
