DV 31683 A 63 min.  
Pitre, Brant © 2018 Catholic Productions, LLC

This presentation shows how the Jewish Passover is the key to understanding the Eucharist as both a meal and a sacrifice. By seeing the Last Supper through Jewish eyes, you will learn how Jesus transformed what would have otherwise been simply a Roman execution into a Passover sacrifice — the new Passover of the Lamb of God who takes away the sins of the world. You will discover the answer to the following questions: What was Passover like at the time of Jesus? What exactly did Peter and John do when they went into Jerusalem to prepare the Passover? Why were the Passover lambs crucified in the shape of a cross? Why were four cups of wine required for every Passover? What were the stages of the Passover and how do they correspond to the Mass? What psalms did Jesus sing at the Last Supper and how do they reveal the mystery of his Passion? When did Jesus finish the Last Supper and drink the fourth Passover cup?

You will discover the meaning of Jesus' prophecies of tribulation and the coming of the Son of Man, the reason Jesus prophesied the destruction of the Temple and how it relates to the End of the World, the meaning behind much of the symbolism in Revelation, the false doctrine concerning the Protestant belief in a secret "Rapture" and why this is dangerous, the Biblical teaching about the coming of the Antichrist, the Catholic understanding of the Final Judgment and how we will be judged, and the beauty of the teaching of the New Creation which is our hope through the Resurrection of Christ. Using his in-depth knowledge of Jewish messianic expectations, Dr. Pitre shows how the hope for a New Exodus and the coming of the Messiah really proves that Jesus did intend to give us the Eucharist; and it is nothing less than the gift of Himself, Body, Blood, Soul, and Divinity. Explore the Eucharist as the New Passover, the New Manna from Heaven, and the mysterious New "Bread of the Presence."
